CLUB REVENGE

VENUE HISTORY & OVERVIEW

WHO WE ARE

Since 1991, Club Revenge has been the South Coast's #1 LGBTQ+ nightclub; renowned as the ultimate party destination and safe space for the community.

THE VENUE

Club Revenge is spread over 3 floors: a main room (Level 1) with state-of-the-art LED screens and lighting systems, Void sound system, 5 themed VIP booths, and a magic mirror photobooth.

Level 2 dance floor is a fully-immersive LED tunnel, with a Funktion One sound system, Berlin inspired decor, dancing cages, and 2 more VIP areas. We also have a roof terrace with panoramic views over the city below, including the iconic Palace Pier.

Revenge can now be booked for a range of live events from solo performances to 5-piece bands.

Introductory hire offers are also available for new promoters.

TIMINGS

Load in from 16:00.
Soundcheck/Engineer arrival from 17:00.
Engineers and technicians can be asked to come in earlier, but this must be arranged in advance with venue management.
Load in time can also be arranged earlier, but additional hire costs will be added.

CURFEWS

Tuesdays/Thursdays/Fridays/Saturdays - All events must be finished by 22:30.
Mondays/Wednesdays/Sundays - No strict curfew however additional hours will incur additional hire costs.

AGE RESTRICTIONS & CAPACITY

Club Revenge is strictly an 18+ venue. Live music events are capped at 325 people.

LOADING & PARKING

Private parking space available behind the venue opposite the load-in area, accessible via Steine Street (the entrance to which is next to VIP Pizza). Parking reservations must be agreed in advance with management.

The main stage area is up two flights of stairs, but there is a loading stock lift (this has a max weight of 200kg).
